Gift Aid

I am enclosing £ to become a Friend (Minimum £6.50)

I am enclosing £ to become a Sponsor (Minimum £6.50 per cat)

Total £

Are you able to sell any raffle tickets? If so, please tick appropriate box :

£2.00		£5.00		£10.00		£20.00		More	
-------	--	-------	--	--------	--	--------	--	------	--

Please do not send cash through the post. Cheques should be made payable to Caring for Animals and sent with this form to address at top of page. *Thank You.*

Do you know another animal lover (or cat lover) who would sponsor a cat or become a friend. The more people supporting this small charity, the more feral cats we can help. Please just ask for another form.

Charity Number 1097762

Caring for Animals 2001, based in South Ockendon, Essex dealing mainly with feral and FIV positive cats throughout the UK. We also take in strays and unwanted cats with the intention of finding them a new permanent home providing we do not go over our planning conditions of **72** cats and their kittens. Adult cats are so slow to home as most people only want kittens and even they have to be very pretty, not just black!!

We are all volunteers currently operating from a house and its pens in the back garden and we also have several foster homes but our dream is to have a sanctuary with land to give more freedom to all un-homeable cats in our care.

We urge you to help us, and help the cats. You can become a Friend of the cats, receiving four newsletters a year. You can also sponsor one or more of our resident cats. These cats are either virus positive, quite old, feral or too sick to be re-homed so their upkeep is quite expensive and this is the reason why the Charity needs all the help it can get and therefore hopes other cat-lovers will come to their aid. Or you can do both; each option only costs a minimum of £6.50 a year, that's a whole 12 months of helping us to help the cats like **Mr Crisp** shown below:

There is a form on the back of this leaflet so please don't delay fill it in today!

There is also a constant need for volunteers especially with fund raising. Our vet bills average **£1,000** a week and it takes many hours of administration or physical fund raising work to achieve this.

If you want to know more about our work, or would like to have a look at our resident cats, have a look at our website at www.caring-for-animals.org

Thank you for taking the time to read this appeal and we hope we will soon be welcoming you to the Caring For Animals family!
